THE LABEL

MYR Records

MYR is an independent record label and artist booking agency founded in 2016 in Fulda, Germany. Afro, organic and melodic house, released internationally and played out on floors across Europe.

It is not only a platform. It is a court for artists and friends from all over the world, united by sound and creative vision rather than by territory. The roster spans Bangladesh, Czech Republic, Germany, Indonesia, Switzerland, and the catalogue runs from deep and organic house to melodic techno.
